

## ADELAIDE OUTREACH PROGRAMS

# Introduction to the Major Psychoanalytic Theorists

Dr Robin Chester

The Adelaide Institute of Psychoanalysis will be offering a 18 week online theoretical seminar in 2022 on psychoanalytic theorists. These seminars are to introduce the following major psychoanalytic theorists:

Sigmund **Freud**  
Melanie **Klein**

Wilfred **Bion**  
Donald **Winnicott**

Carl **Jung**  
Jacques **Lacan**

These seminars are a gentle introduction to psychoanalytic theories and is suited to psychiatrists, psychologists, psychotherapists and students in the Humanities wanting to enhance their theoretical knowledge through an increased familiarity of psychoanalytic ideas. The seminars would also be particularly helpful to psychiatry trainees for the psychotherapy written case.
