

Clinical Psychodynamic Seminars

PLEASE NOTE THERE ARE CHANGES TO GROUP OPTIONS/TIMES

The Adelaide Institute of Psychoanalysis will be offering a series of case discussions by the psychoanalysts of AIP.

These seminars are case based discussions brought by participants, on the psychodynamic aspects of the case. The aim is to understand the psychodynamics and to use this understanding of the patient in the approach and treatment of the patient i.e. the practical implication of psychodynamic formulation.

SEMINAR DETAILS

- Online via Zoom & One In room option
 - Three separate series run by three individual analysts
 - Minimum 5 people per group
 - Seminars are offered at three different times/days with a different analyst as seminar leader for each individual group
- 8 seminars, weekly for 1.5 hour
 - Cost: \$640 per series of 8 seminars

SEMINAR LEADERS:

Dr. Gil Anaf : Wednesdays 12.00 p.m. to 1.15 p.m. from 11.10.23 – 29.11.23 - ONLINE

Seminar leader is Dr. Gil Anaf a psychoanalyst and psychiatrist in private practice. He is a senior training analyst with APAS. These seminars are targeted towards early career psychiatrists who want to explore dynamics by looking at therapy sessions in detail, which will be brought in by a participant.

Dr. Shanthi Saha: Fridays 8.00 a.m. to 9.15 a.m. from 13.10.23 – 01.12.23 – ONLINE

Fridays 3.30 p.m. to 5.00 p.m. from 13.10.23 – 01.12.23 – IN ROOM - Fullarton

Seminar leader is Dr. Saha a psychoanalyst and psychiatrist in private practice. She is a training analyst with APAS. These seminars will highlight the psychodynamic formulation and its use in clinical practice. This is useful for psychiatry registrars, psychiatrists, psychologists, psychotherapists & social workers working with challenging patients.

Sonia Selvasingam: Fridays 4.00 p.m. to 5.15 p.m. from 13.10.23 – 01.12.23 - ONLINE

Seminar leader is Sonia Selvasingam a psychoanalyst in private practice, a member of APAS and is a supervisor for Psychotherapy Advance Training cases. These seminars are targeted towards psychiatrists, psychologists etc. who are offering long term therapy and want to explore dynamic work in their therapy sessions. Participants will bring in a session which will be discussed in detail.

Last date for registration is Friday 15th September 2023
